HOTEL ZAZA ELEVENTH FLOOR EVENT ROOMS TAKE ON A NEW VIEW

HOUSTON, Texas (June 23, 2011) – Hotel ZaZa has renovated the eleventh floor meeting and event spaces providing clients with creative rooms that are open to various functions. Hotel ZaZa worked with the acclaimed design team at Duncan & Miller Design to revamp the now two new exquisite eleventh floor event rooms and one pre-function lounge. Allowing the views to speak for themselves, Duncan & Miller focused on creative touches such as the black and white checkered carpeting to mirroring the rooms, further accentuating the impeccable views. The always-popular framed portraits line various walls adding just enough ZaZa edge. The eleventh floor offers distinct and unique settings perfect for inspiring outside of the box thinking.

The 2,132-square foot **Grapevine Room** has been transformed into an environment that channels the 21 Club in New York. With the updated chic black and white checkered carpet, one full-mirrored wall and exceptionally high ceilings, the sky is the limit for meetings or events of any kind. Adjacent to the eleventh floor Grapevine Room is the recently renovated 1,234 square feet **Room with a View**. The room has an open feel with the same vast windows and tremendous views of Houston's downtown district. With these two rooms, an artist's blank canvas is infinite with possibilities.

The **Imagination Pre-Function Lounge**, 384 sq-ft, located off the elevators beckons guests to sit, relax and recharge between brainstorming sessions. Think co-workers sitting around the table playing jenga, or jumping up during a game of scattergories while taking a mid-meeting break.

Offering a variety of sizes and settings, there's something for everyone at Hotel ZaZa. The property offers guests over 17,000 sq-ft of meeting and event space. Each space is retrofitted with the latest audio and visual capabilities, and the entire property offers complimentary Wi-Fi. Hotel ZaZa's unique spirit resonates throughout the hotel, in tandem with the sweeping views of the fountains and gardens. Unique to every event, is Hotel ZaZa's select team of meeting professionals working behind the scenes to ensure seamless planning and execution. From creative meeting materials, ZaZa's custom bottled water to a full-service catered event, Hotel ZaZa creates memorable events second to none.
